GLEISS LUTZ ADVISES ECONOMIC DEVELOPMENT AGENCY BRANDENBURG ON THE SALE OF EXPOCENTER AIRPORT BERLIN BRANDENBURG GMBH

Gleiss Lutz has advised Economic Development Agency Brandenburg (WFBB) on the sale of its shareholding in ExpoCenter Airport Berlin Brandenburg GmbH (ECA). The purchaser is Flughafen Berlin Brandenburg GmbH (FBB), which has also purchased additional shares in ECA held by Messe Berlin (MB).

ECA owns the site on which air show ILA Berlin is held, and will continue to be held in the future. FBB's acquisition of the site will give it additional space for the operation of Berlin Brandenburg Airport and allow it to avoid the costly construction of additional hangars needed by a variety of operations service providers.

Economic Development Agency Brandenburg was advised by a core team of the following Gleiss Lutz lawyers: Dr Martin Viciano Gofferje (lead, partner), Daniel Ahnert, Dr Micha Christopher Pfarr (all corporate/M&A, all Berlin) and Dr Johann Wagner (partner, tax, Hamburg).
