

DR. KRISTIN PAULY
RECHTSANWÄLTIN

EXPERTISE

Kristin advises primarily on German and European healthcare law and provides legal advice especially on statutory health insurance, medical devices, drugs and physicians.

VITA

Kristin studied law at the Christian-Albrechts-University of Kiel. After the First Legal Examination, she received her doctorate at the chair of university professor Dr. Rudolf Meyer-Pritzl on the subject of euthanasia with special regard to euthanasia for minors and developed a law for Germany through a legal comparison of the German legal rights with the laws of the Netherlands and Belgium. During her legal clerkship in Kiel and Hamburg, she worked for the Chamber for Medical Liability Cases at the Regional Court of Kiel and a law firm for medical and tax law based in Hamburg.

Kristin speaks German and English.
