

DR. MARC RUTTLOFF
COUNSEL | RECHTSANWALT

EXPERTISE

Marc advises on public economic law, in particular with regard to questions of regulatory, administrative, constitutional and European law as well as public liability. His practice focuses on the regulated industries, in particular the energy sector, including regulatory questions, planning and environmental law as well as all aspects of product liability. He regularly advises on regulatory requirements for product development and labelling as well as product recalls.

VITA

Marc studied at the universities of Würzburg (with accompanying study of European law) in 2007 and Cologne (Dr. iur. 2011). He has been with Gleiss Lutz since 2010. Marc's dissertation entitled "The Admissibility of Contractual Penalty Clauses in Urban Development Contracts in Connection with Large-Scale Retail Projects" was awarded the 2012 Doctoral Prize by the University of Cologne. He was awarded a scholarship by the German National Academic Foundation (2002 to 2007). In 2007 he was awarded the Wolfgang Kuhlen Prize by the Dr. Otto Schäfer Foundation. In 2016, he worked for a leading Canadian law firm in Toronto as part of a six-month secondment.

He is a member of the Society for Environmental Law (GfU), the German-Canadian Association (DKG) and he is a member of the German Bar Association's Administrative Law Working Group (DAV). He is also a board member of the German branch of the International Nuclear Law Association (INLA).

Marc speaks German and English.
