Travelling by car

When coming by car on the A3 from Liège, drive towards the city centre, past the Sterrebeek and Antwerp/Airport exits.

After a few kilometres, you will reach a tunnel entrance. After taking the middle lane sign-posted "European Communities/Communautés Européennes", the tunnel will take you onto Avenue de Cortenbergh, which leads directly to "Rond Point Schuman" (roundabout). Turn into Rue de la Loi/Wetstraat (second exit) and follow this road for approx. 1 km, crossing both Avenue des Arts/Kunstlaan and Rue Royale/Koningsstraat. You will now be on Rue des Colonies/Kolonienstraat, at the end of which is Gare Centrale and the start of Rue de Lozum/Loksumstraat. Our office building (an elliptical-shaped high-rise) is directly opposite Gare Centrale. Parking spaces are available in the building's underground car park. Please let us know in advance if you will be needing a parking space.

Travelling by plane

When using public transport, you can take a train from Brussels Airport (departing approx. every 20 minutes, duration approx. 25 minutes) to Gare Centrale. Our office is directly opposite Gare Centrale.

Travelling by train

Our office is directly opposite Gare Centrale.

Travelling by taxi

Journey time from Airport, approx. 20 minutes
